

Articulation 5 of 7

St. Joseph's College, NY and ASA College, NY

Health Administration

This document represents a transfer credit articulation agreement between St. Joseph's College, NY, with campuses in Brooklyn and Patchogue, LI, and ASA College, NY, for transfer students pursuing a Bachelor of Science degree in Health Administration.

This will serve as a guiding document for use by students, faculty and administrators of both institutions in clarifying the relationship between the schools and in confirming the way course credits transfer from ASA College to St. Joseph's College, NY (SJC). The attached Transfer Articulation Course Equivalencies documents are the result of dialogue between the St. Joseph's College and ASA College Academic Deans and Department Chairpersons. Each course equivalent has been reviewed by both parties for content and transferability. The agreement may be modified, including adding or deleting course equivalencies, upon agreement of both parties.

ASA College graduates are eligible to receive up to 64 semester hours of transfer credits when transferring to St. Joseph's College, NY. Credit will only be awarded for courses completed with a grade of C or better. The overall grade point average must meet current St. Joseph's College admissions requirements as stated in the SJC Catalogue, as well as program-specific requirements.

The attached articulation agreement serves as a guideline for the maximum number of transfer credits from ASA College to St. Joseph's. Students transferring to St. Joseph's College from ASA College with the maximum number of credits will be given the opportunity to complete the requirements for a Bachelor of Science within four additional semesters of full-time study. SJC liberal arts requirements, distribution requirements, and course equivalencies for transfer credit purposes are contained within this document.

To complete requirements for the Baccalaureate Degree of Science (B.S.) in Health Administration, the student is responsible for any of the below course requirements still outstanding; a minimum of 21 credits with an HA identifier must be taken at St. Joseph's College (MAT 151 may be applied toward this requirement). 120 completed credits are required for graduation from St. Joseph's College. Experiential Learning (evaluated through "Prior Learning Assessment") often qualifies for college credit.
