

## Articulation 5 of 7

### St. Joseph's College, NY and Long Island Business Institute, NY

#### *Criminal Justice*

This document represents a transfer credit articulation agreement between St. Joseph's College, NY, with campuses in Brooklyn and Patchogue, LI, and Long Island Business Institute, NY, for transfer students pursuing a Bachelor of Science degree in Criminal Justice.

This will serve as a guiding document for use by students, faculty and administrators of both institutions in clarifying the relationship between the schools and in confirming the way course credits transfer from Long Island Business Institute to St. Joseph's College, NY (SJC). The attached Transfer Articulation Course Equivalencies documents are the result of dialogue between the St. Joseph's College and Long Island Business Institute Academic Deans and Department Chairpersons. Each course equivalent has been reviewed by both parties for content and transferability. The agreement may be modified, including adding or deleting course equivalencies, upon agreement of both parties.

Long Island Business Institute graduates are eligible to receive up to 64 semester hours of transfer credits when transferring to St. Joseph's College, NY. Credit will only be awarded for courses completed with a grade of C or better. The overall grade point average must meet current St. Joseph's College admissions requirements as stated in the SJC Catalogue, as well as program-specific requirements.

The attached articulation agreement serves as a guideline for the maximum number of transfer credits from Long Island Business Institute to St. Joseph's. Students transferring to St. Joseph's College from Long Island Business Institute with the maximum number of credits will be given the opportunity to complete the requirements for a Bachelor of Science within four additional semesters of full-time study. SJC liberal arts requirements, distribution requirements, and course equivalencies for transfer credit purposes are contained within this document.

The **Baccalaureate Degree of Science (B.S.) degree in Criminal Justice** is a Professional Studies degree designed to provide students with a fundamental understanding of the nature of crime and criminal law in society as well as the workings of police, courts, and corrections-the essential components of the criminal justice system. Students will be equipped with the necessary skills and insights to understand the complex issues surrounding crime and the criminal population. Students pursuing the B.S. in Criminal Justice within Professional Studies would be expected to have post secondary education and training and have acquired, through experience, the skills and knowledge appropriate to the degree. *The Department reserves the right to require an additional English writing course(s) at*

any point in a student's program if deemed appropriate based on the student's writing level.

120-128 completed credits are required for graduation from SJC. 60 Liberal Arts credits are required for the B.S. Experiential Learning (evaluated through "Prior Learning Assessment") often qualifies for credit.
