General Studies, B.S. (Professional Studies)

The Bachelor of Science in General Studies offers adults with nontraditional academic backgrounds, as well as those who have had previous college coursework, an opportunity to attain a bachelor's degree through a flexible course of study. **Also Available through SJC Online.**

Personalized advisement is the key to this approach. With the assistance and guidance of a trained advisor, students design a program around their strengths, experiences, and aspirations, drawing from the various courses of the College. Many adults pursuing a career change appreciate the flexibility of this degree and continue on to pursue graduate degree programs. Of the 120 credits required for the degree (effective students entering Fall 2015), at least 60 must be in the liberal arts, including [ENG 103 - Writing for Effective Communication \(ENG106 COLLEGE ENGLISH I\)](#) and [LIB 100 - Library Research Strategies \(IRL101 INTRODUCTION TO INFORMATION LITERACY AND RESEARCH METHODS\)](#).

The Department reserves the right to require an additional English writing course(s) at any point in a student's program if deemed appropriate based on the student's writing level.

Experiential Learning (evaluated through "Prior Learning Assessment") often qualifies for college credit.

Ordinarily, the minimum overall residency requirement for a St. Joseph's College degree is 30 credits completed at St. Joseph's. Students who transfer to SJC as juniors (that is, transferring in 60-64 credits) will complete their course and credit requirements at St. Joseph's College, NY.
