

Addendum
Articulation Agreement
between
St. Joseph's College and Nassau Community College
Specific to NCC Human Services: Community Service and Social Welfare (AA)
and
SJC Human Services (BS)

This document is an addendum to the Articulation Agreement between Nassau Community College and St. Joseph's College approved by both institutions and signed in October 2014 and updated in February 2016. This addendum specifically addresses the transfer of students who have completed the AA program in Human Services: Community Service and Social Welfare and transfer to the BS program in Human Services at St. Joseph's College.

This addendum is designed to facilitate the transfer of course credits from Nassau Community College to St. Joseph's College as well as to facilitate and expedite the transfer process for students. All provisions stated in the Articulation Agreement signed in February 2016 apply to this addendum as well as the obligations as noted for each institution.

For transfer credit purposes, attached to this agreement is a chart of SJC course equivalencies for NCC courses in Human Services. The transfer course equivalencies are the result of dialogue between NCC and SJC's Academic Deans, Department Chairpersons and faculty members. Requirements for a baccalaureate degree are contained in the Articulation Agreement. This agreement may be modified, including adding or deleting course equivalencies, upon agreement of both parties.
