

Addendum

Articulation Agreement

between

St. Joseph's College and Suffolk County Community College

Specific to SCCC Human Services and SJC Human Services

This document is an addendum to the Articulation Agreement between Suffolk County Community College and St. Joseph's College approved by both institutions and signed in December 11, 2011. This addendum specifically addresses the transfer of students who have completed the AS program in Human Services to the BS program in Human Services at St. Joseph's College.

This addendum is designed to facilitate the transfer of course credits from Suffolk County Community College to St. Joseph's College as well as to facilitate and expedite the transfer process for students. All provisions stated in the Articulation Agreement signed in December 2011 apply to this addendum as well as the obligations as noted for each institution.

For transfer credit purposes, attached to this agreement is a chart of SJC course equivalencies for SCCC courses in Human Services. The transfer course equivalencies are the result of dialogue between SCCC and SJC's Academic Deans, Department Chairpersons and faculty members. SJC liberal arts/core requirements and distribution requirements are also contained within this document. Requirements for a baccalaureate degree are contained in the Articulation Agreement. This agreement may be modified, including adding or deleting course equivalencies, upon agreement of both parties.
